
I support those who curse Ethan
Why are there so many worshiping an asshole like you?
Jerk Ethan, your crazy fans are insulting me on my blog Stop them now!
Ethan, get out of entertainment circle!
Ethan's fans are Crazy and Weak!
It's him who I was cursing, not you! You prick!
I think Ethan is an idiot! It's just my own opinion, don't answer back!
Luckily, I'm not your fan

So you are still upset about those comments ?
I told you not to mind what they said. Just do your own job for the fans. Be yourself!

I feel sorry for them...
